Great American Bancorp, Inc. Announces Earnings for Second Quarter 2016

Champaign, Illinois - Great American Bancorp, Inc. (OTC Pink®/GTPS), the holding company for First Federal Savings Bank of Champaign-Urbana, reported net income of \$297,000 for the six months ended June 30, 2016, which is a decrease of \$25,000, or 7.8% from the \$322,000 reported for the first six months of 2015. Basic and fully diluted earnings per share were \$0.66 for the six months ended June 30, 2016 compared to \$0.69 for the same period in 2015. The return on average assets ("ROA") and the return on average equity ("ROE") were 0.33% and 3.47% for the six months ended June 30, 2016, decreasing from a 0.36% ROA and 3.94% ROE for the six months ended June 30, 2015.

Net income for the three months ended June 30, 2016 was \$139,000, which is an increase of \$27,000, or 24.1% from the \$112,000 reported for the three months ended June 30, 2015. Basic and fully diluted earnings per share were \$0.31 for the three months ended June 30, 2016 compared to \$0.24 for the same quarter in 2015. The ROA and ROE were 0.30% and 3.24% for the three months ended June 30, 2016, increasing from a 0.25% ROA and 2.73% ROE for the three months ended June 30, 2015.

Net income was lower in the six months ended June 30, 2016 compared to the same period in 2015 primarily due to declines in net interest income and total noninterest income, offset by a reduction in total noninterest expense. Net interest income was lower due primarily to a decrease in interest income from loans. Total average loans during the first six months of 2016 were approximately \$99.40 million, down \$1.50 million from the average total of \$100.90 million during the first six months of 2015. This decrease was due mainly to a few large payoffs during the latter part of 2015 in the multifamily residential mortgage and commercial mortgage loan categories.

Noninterest income declined \$76,000, from \$1,636,000 in the first six months of 2015 to \$1,560,000 in the first six months of 2016. This decrease was primarily in insurance sale commissions due mostly

to a reduction in contingency commission income. A contingent commission is a commission paid by an insurance company that is based on the overall profit and/or volume of business placed with the insurance company. These commissions are usually paid in the first quarter of each year for the prior year's results and were \$106,000 lower in 2016.

Total noninterest expense decreased \$111,000, from \$3,562,000 for the first six months of 2015 to \$3,451,000 for the first six months of 2016, primarily salaries and benefits expense.

Net income was higher in the three months ended June 30, 2016 compared to the second quarter of 2015 primarily due to an increase in total noninterest income and a decrease in noninterest expense, offset by a reduction in net interest income.

Total assets at June 30, 2016 were \$180.98 million compared to \$182.08 million at December 31, 2015, decreasing \$1.10 million. Total cash and cash equivalents decreased \$1.71 million, from \$73.33 million at December 31, 2015 to \$71.62 million at June 30, 2016 due mainly to an increase in total net loans and a decrease in deposits. Total net loans, including loans held for sale, were \$100.25 million at June 30, 2016, increasing \$1.25 million from total net loans of \$99.00 million at December 31, 2015. Total deposits decreased \$1.13 million, from \$157.67 million at December 31, 2015 to \$156.54 million at June 30, 2016.

First Federal Savings Bank of Champaign-Urbana is headquartered in Champaign, Illinois, and operates through its administrative/branch office in Champaign and through one additional full service branch located in Urbana, Illinois. The Bank also provides full service brokerage activities through a third-party broker-dealer. The Bank's subsidiary, Park Avenue Service Corporation, sells insurance products through the GTPS Insurance Agency. The Bank's deposits are insured by the Federal Deposit Insurance Corporation.

This earnings report may contain certain forward-looking statements which are based on management's current expectations regarding economic, legislative, and regulatory issues that may impact the Company's earnings in future periods. Factors that could cause future results to vary materially from current management expectations include, but are not limited to, general economic conditions, changes in interest rates, deposit flows, real estate values, and competition, changes in accounting principles, policies, or guidelines, changes in legislation or regulation, and other economic, competitive, governmental, regulatory and technological factors affecting the Company's operations, pricing, products and services. Great American Bancorp, Inc. stock is traded on OTC Pink®, under the symbol, "GTPS."
